Vide above reference, instructions on subject were issued. These are modified as under:-

(i) All routine repairs and maintenance works (revenue works as distinct from works other than PH 72) chargeable to WMS may be carried out by the concerned HODs within the powers delegated to them and within the Budget Grant, duly following the Codal provisions. (The works covered under this will be similar to revenue & special revenue works on Zonal Rlys.).

(ii) Other works which involve creation of a new / additional asset or facility chargeable to WMS, should be taken up with the concurrence of CME being the nodal cost control Officer.

(iii) For planning works under PH 41 & 42, CME shall be the nodal Officer.

(iv) For works under other plan heads with mode of funding other than WMS, existing arrangement of nodal officer will continue e.g. for plan head 51, CE will be the nodal officer.

This has the approval of GM.
