

**Sub: Good work done by Rail Wheel Factory, Bangalore**

Rail Wheel Factory has a robust Local Area Network wherein all the production details of entire RWF are captured in real time and it is unique of its kind. This programme was developed in house and available since inception of RWF. This has resulted in the following innovative developments.

**1. Mobile App for Transparency: -**

In unison with the innovative vision emphasised by the Rly Board for public transparency of various activities, an Android based mobile App has been developed in house by EDP Centre for Vendors, Contractors, Customers and RWF users. This user friendly App provides following information.

Sl.No	Description	Information provided
1.1	<b>Employee Corner</b>	Leave Balance, Pass Balance, Provident Fund Balance, Provident Fund Bill Status and Salary Particulars.
1.2	<b>Colony Care</b>	Registration and Redressal of Electrical, Civil, S&T and Sanitary complaints pertaining to RWF Colonies.
1.3	<b>Suppliers/Contractors Bill Status</b>	Bill submitted to Accounts Office (CO6), Bill returned with reasons, Bill Admitted & Passed (CO7) and sent to Bank for NEFT/RTGS (CO9).
1.4	<b>Material Receipt Status</b>	Material receipt on Day Book Receipt(DBR), Material rejected with rejection Advice, Material Accepted after IDN and Receipt Note granted
1.5	<b>Despatch of Finished Goods Status</b>	Materials Despatched (Wheels/Axles/Sets), Mode of despatch, Qty despatched, Drivers name with Mobile no.

Path to download RWF APP is as below:

**RWF website Home Page ([www.rwf.indianrailways.gov.in](http://www.rwf.indianrailways.gov.in)) ->Click on "RWF APP" Button to download APP for Installation on any Android mobile**

**2. Digitization of Service Records: -**

The voluminous work of digitization of Service Records of Group-C employees have been successfully completed in-house in record time. This Digitization of Service Records facilitates the employees to view their Service Records. Logs are also being generated as an acknowledgement that Employee has seen his/her SR.

**3. Digitization of APARs: -**

RWF has also successfully completed the voluminous process of digitization of APARs of Group C employees in-house in record time. This digitization facilitates the employees to view their year wise APARs. Logs are also being generated as an acknowledgement that Employee has seen his/her APAR.

RWF, one of the Production units of unique kind in Indian Railways is striving whole heartedly to achieve the objectives, to support the transformative innovations set in motion by Railway Board.
