MOU with GAIL Gas for interrupted supply of CNG to RWF

Rail Wheel Factory inks MoU with GAIL for CNG

Bengaluru: In a huge eco-friendly and cost-saving initiative, the Yelahanka-based Rail Wheel Factory and Gail Gas (India) Ltd inked an agreement on Wednesday that would ensure usage of Compressed Natural Gas (CNG) in the manufacture of wheels and axles here. A Memorandum of Understanding was signed by K K Krishnaraj, Deputy Chief Mechanical Engineering, RWF, and Partha Jain, General Manager, Project Execution, GAIL Gas Ltd, in the factory. The agreement is for a 15-year period for providing a pipeline to supply uninterrupted CNG to the factory. ENS
