विषय: Modification of RMR Issue and S1313 Issue screens in DMS module.

As part of GST implementation, all the stock items are identified with Invoice Numbers. Further, RMR Issue and S1313 Issue screens in DMS module have been suitably modified to capture the Invoices against Issues. A demonstration was also given to ward users in the presence of AMM/Depot on date.

In this regard, Depot users may please be advised to use the same.
