

WHEEL & AXLE PLANT
(Ministry of Railways)

General Manager's Office,
Yelahanka,
Bangalore-560 064.

No. WAP/ADMN/RA-1/GEN/Part File

Dated:- April 7, 1999.

CHE. CHS. Dy. CE/WAP/YNH.

Reg:- Registration for allotment of
Railway quarters - Safaiwalas.

A number of safaiwalas (about 75 numbers approximately) are working in this Plant. All the safaiwalas are under the Administrative control of Medical, Mechanical and Civil Engineering (few safaiwalas working in the canteen are also under the Administrative control of Civil Engineering Department).

Some of the safaiwalas were representing that their names for registration of quarters is not getting properly registered and displayed and due to this, it is not clear to them as to where they should register for allotment of quarters etc.

In view of the above, the competent authority has decided that all the applications for allotment of quarters from safaiwalas should be registered in the respective Administrative Departments in which they are working presently. The safaiwalas working in the canteen should register for allotment of quarters in the Civil Engineering Dept as they are coming under the Administrative control of Civil Engineering Department. Further action may please be taken on lines indicated above. The applications from any safaiwalas available in your files, may please be forwarded to the concerned departments for the purpose of registration.
